REPORT

6.11.2019

***Notification dated
14.05.2019***

1. The Central Government, in exercise of the powers conferred on it by the proviso to sub-section (1) of Section 3 of the Unlawful Activities (Prevention) Act, 1967 (hereinafter referred to as '*UAP Act*') declared Liberation Tigers of Tamil Eelam (hereinafter referred to as the '*LTTE*') as an unlawful association by a notification dated 14th May, 2019 published in the Gazette of India (Extraordinary).

***Reasons for
imposing ban on
LTTE by the
Central Government***

2. The Central Government banned the LTTE on the information received by it pertaining to the various cases that had been registered against LTTE, Pro-LTTE elements and chauvinist groups under the provisions of the Indian Penal Code and the UAP Act for spreading anti-India feeling articles in the Internet portals amongst the Sri Lankan Tamils holding the Government of India responsible for the defeat of the LTTE and was likely to impact the security of Very Very Important Persons (VVIP) adversely in India.

3. The Central Government found that the LTTE and its supporters, sympathisers and agents spread in the territory of India with an objective for a separate homeland (Tamil Eelam) for all Tamils, was a threat to the sovereignty and territorial integrity of India and amounted to cession and secession of a part of the territory of India from the Union and falls within the ambit of an '*Unlawful Association*'. Moreso, the Central Government had the information that the remnant cadres, dropouts, sympathisers, supporters of LTTE have been traced out and there is every possibility of their utilization against the sovereignty of India.

13. On 17.10.2019 at New Delhi, the applicant/ **Mr. Visuvanathan Rudrakumaran** filed another application seeking exemption from filing attested/forwarded affidavit by the Embassy of USA in support of the application filed under Section 4(3) of UAP Act.
14. After hearing both parties at Madurai, Tamil Nadu, the application was disposed of on 19.10.2019, with following directions:
- " In terms of Sub-Sections (5) and (6) of Section 5 of UAP Act, the Tribunal has the power to regulate its own procedure in all matters arising out of the discharge of the functions including the place or places at which it will hold its sittings.
The affidavit which is incomplete has been purportedly signed by a Notary and it is not possible for the Tribunal to verify the authenticity of the same. Moreso, the deponent is a US National. The affidavit so filed does not satisfy the conscious of the Tribunal. Thus, in view of the above discussion, the prayer of the applicant needs to be declined. Ordered accordingly."*

15. The applicant/**Mr. Visuvanathan Rudrakumaran** moved another application dated 30.10.2019 at New Delhi seeking impleadment, supported with an Apostille executed at State of New York on 23.10.2019, which was dismissed on even date with following observations :

“The applicant in para 6 of the application has admitted in clear terms, as follows :

“6. Upon taking up this responsibility, the Applicant has acted throughout as an independent person and has taken on the formation of the TGTE as an entirely independent political endeavour, one which has not subsequently been in any way connected to the LTTE.”

The notification dated 14.05.2019 issued by the Central Government has declared the LTTE as an Unlawful Association under the Unlawful Activities (Prevention) Act, 1967 for the reason that the LTTE is carrying on destructive activities prejudicial to the integrity and sovereignty of India and adopt a policy inimical to India which continues to pose a great threat to the security of Indian national.

In view of the above background, the applicant has failed to establish a case to participate in the present proceedings which particularly pertains to LTTE. The LTTE has been declared as an Unlawful Association under the Unlawful Activities (Prevention) Act, 1967 with which the applicant/TGTE has no connection.

Accordingly, the application being devoid of any merit, is hereby dismissed.”

*Submissions on behalf
of the Central
Government*

30. Ms. Maninder Acharya, learned Additional Solicitor General appearing for the Union of India supporting the notification dated 14.05.2019 published by the Government of India contended that Section 3 of UAP Act confers power upon the Central Government to declare an association as an '*Unlawful Association*'. The acts of the members of LTTE since its ban in the year 2014 led to registration of various cases registered under UAP Act, Explosive Substances Act, Passport Act and Indian Penal Code etc. Learned ASG vehemently argued that the Central Government has been successfully able to place sufficient material on record to suggest that the sympathizers, promoters, agents and operators of LTTE are still in existence and primarily active in the State of Tamil Nadu, India, which is prejudicial to the territorial integrity and sovereignty of India.
31. Learned Additional Solicitor General further submitted that apart from inputs received from the State Government of Tamil Nadu about the unlawful activities of LTTE, the Central Government has also received information from Intelligence Agencies and Central Forces regarding continued unlawful activities of LTTE from the year 2014 to 2019. She further submitted that the additional material, which was placed before the Tribunal in a sealed cover, cannot be brought on record, as the reports and inputs contained therein were privileged confidential documents, which could not be made available to any third party except the Tribunal, and that Central Government is of the view that it would not serve public interest if such intelligence reports and inputs disclosed either to banned organization/LTTE or any other third party. Learned Additional Solicitor General has placed reliance upon the judgment passed by the High Court of Delhi in the case of *Union of India v. SIMI* reported in **99 (2002) DLT 147** and submitted that strict rules of evidence and standard of proof are not applicable in respect of an inquiry under the provisions of the UAP Act as the same is not a regular trial, and that the Tribunal should form its opinion on all the points in controversy after assessing itself the credibility of the material relating to it, even though it may not be disclosed to the association, if the public interest so requires. She further submitted that since unlawful activities conducted by LTTE were clandestine in nature, the source of the Central Government's inputs/information qua its activity requires confidentiality. She also submitted that the material placed before this Tribunal in a sealed cover by the Central Government, need not be put in public domain and only be made a part of record.
32. The learned Additional Solicitor General, while referring to the events leading to the issuance of the Notification, submitted that the sympathizers, promoters, agents and operators of LTTE continue to pursue their illegal activities even during the period of ban, affected under the previous Notification dated 14.05.2014. She referred to the Constitution of People's Front of Liberation Tigers (PFLT) with particular reference to its objectives, which have already been stated hereinbefore. It was submitted that a map of Greater Tamil Nadu includes territories of Kerala and Tamil Nadu with portions of Sri Lanka, a copy of which has been filed by PW-10 along with his affidavit, and is a picture that highlights the startling reality of how LTTE is gaining support on Indian soil through its sympathizing

groups, which threatens the sovereignty and territorial integrity of India and amounts to an attempt of secession of a part of the Indian territory.

33. The learned Additional Solicitor General further submitted that the remnant cadres/agents/sympathizers/dropouts of LTTE are arriving in Tamil Nadu in the guise of refugees from Sri Lanka and if the prohibitions were to be lifted, their activities would increase in a manner causing breach of the security of the State. He further submitted that recent reports reveal that remnant LTTE leaders/cadres/operations are regrouping in Tamil Nadu so as to achieve their avowed objective of establishing separate Tamil Eelam and wrecking revenge on the traitors (India) and enemies (Sri Lanka).
34. Learned Additional Solicitor General further submitted that LTTE, which though based in Sri Lanka, has sympathizers, promoters, agents and operators carrying on various activities in India as well. LTTE is capable of gaining local support in Tamil Nadu and several other parts of South India on account of linguistic, ethnic affinity and geographical contiguity between Tamils in India and Tamils in Sri Lanka. It was further submitted that, in support thereof, the Central Government as well as the State Government have placed on record before this Tribunal the relevant documents and oral testimonies of the witnesses to show that LTTE continues to practice violent, disruptive and unlawful activities, which are prejudicial to the territorial integrity and sovereignty of India. She also submitted that despite a continuous ban on LTTE since 1992 in India, its activities continue to pose threat and are detrimental to the sovereignty and territorial integrity of India directly or through various pro-LTTE organizations.
35. The learned Additional Solicitor General submitted that since Tamil Chauvinist Groups are extending vociferous support to the cause of LTTE, which warrants a close and constant vigil and monitoring of the activities of LTTE, Pro-LTTE groups and its sympathizers. Given the cultural, linguistic, ethnic affinity and geographical continuity, the secessionist forces in Tamil Nadu and LTTE have forged a common agenda and, thus, necessitates an extension of ban on LTTE for a further period of five years.
36. Mr. M. Yogesh Kanna, learned Standing Counsel appearing for the State of Tamil Nadu, while adopting the arguments advanced by the learned Additional Solicitor General, supplemented the same by submitting that one of the aims and objectives of PFLT is to protect and preserve the geographical identity and integrity of the '*traditional homeland of Tamils and Muslims*'. The constitution of PFLT has been placed on record by PW-10. The State of Tamil Nadu has traditionally been considered to be homeland of Tamils and, therefore, the ultimate objective of LTTE is to integrate traditional Tamil areas of India with the Tamil speaking areas of Sri Lanka and such an act constitutes '*unlawful activity*' within the meaning of Section 2(o) of UAP Act. A perusal of the map would show that parts of State of Tamil Nadu have been shown as part of '*Greater Tamil Nadu*' in this map. The demands of TNLF, as displayed on the home page of the organization, comprise

***Submissions on behalf
of the State of Tamil
Nadu***

'secession of Tamil Nadu' from the artificial so-called Indian union', 'the Re-Unification of Eelam with liberated Tamil Nadu', the Re-Unification of Kerala with liberated Tamil Nadu' and 'the Restoration of lost lands to Greater Tamil Nadu, including the Kolar Gold Fields, Malnadu, Lakshadweep Islands, Maldives and Mauritius'. It was also stated by PW-10 that the convict Subhaskaran and Kumaran @ Murugan @ Udayakumar were members of LTTE and they had undergone training in LTTE training camp. It was further submitted that in spite of opportunity available before this Tribunal, LTTE has not come forward to appear to oppose the Notification dated 14.05.2019 issued by the Central Government.

37. Mr. Kanna further submitted that LTTE was involved in assassination of Mr. Rajiv Gandhi, former Prime Minister of India and also rival groups leaders in Tamil Nadu and involved in several other violent activities. Several cases including those coming under the ambit of the UAP Act are still pending in court(s) and in many cases some of the LTTE cadres and members of Tamilar Pasarai TNRT and TNLA, who are accused in those cases are still absconding. Several LTTE cadres have infiltrated into Tamil Nadu clandestinely by boat and such elements would ultimately indulge in unlawful activities. They may also pose grave threat to the sovereignty and integrity of India including security of the high dignitaries.
38. Mr. Kanna further submitted that after the death of LTTE leader Prabhakaran and other prominent leaders of LTTE in the war, the activities of Pro-LTTE organizations show that they have not eschewed violence. In spite of the ban of LTTE, LTTE cadres continue to indulge in unlawful activities in Tamil Nadu. If the ban was to be lifted, their activities would increase and cause a serious threat to the security of the State of Tamil Nadu. If the ban is not extended, LTTE will form a base in India by regrouping remnants of LTTE and revive their unlawful activities. Revival of such activities will also give a fillip to Tamil separatist groups and promote secessionist tendencies.
39. It was also submitted by Mr. Kanna that the continuation of the ban is absolutely essential in the larger interest of the security of India and in the interest of sovereignty and territorial integrity of India. It is only due to the ban in existence today, the law enforcing agencies and the State administration are able to have a better control over the situation, and the Act is a tool to the Law Enforcing agencies in the State in curbing the menace of such a militant organization. Lifting of ban on LTTE would imply allowing such a deadly foreign terrorist organization to fully operate from India, freedom to harness the support from secessionist / Pro-LTTE elements/groups in Tamil Nadu/India, which will amount to giving a tremendous psychological boost to LTTE as well as the secessionist Tamil forces in India. The activities of LTTE still persist though they are well under control at present, in view of the stern measures taken by the Government including its declaration as an Unlawful Association. In spite of that sympathy for separate Nation concept still remains and craving for secession of Tamil Nadu from Union of India.

40. Lastly, Mr. Kanna submitted that unless the ban continues to be enforced, the purpose of ban imposed initially for a period of two years in 1992 and subsequently, extended from time to time, the last extension being in the year 2014 would be defeated and the consequential effect could be highly detrimental to the sovereignty and territorial integration of India.

Submissions on behalf of Mr. Vaiko

41. Challenging the notification in question, Mr. Vaiko submitted that to justify the declaration made under Section 3 of UAP Act, the Government of India must establish that there were activities which were unlawful as defined under the Act, had taken place within the territory of India by LTTE/Pro-LTTE organization, but in the instant matter, the Government of India miserably failed to bring on record any material to suggest that any such activity has been committed by the LTTE/Pro-LTTE organization; that the object of establishing of Tamil Eelam is not intended to take even an inch of land belonging to Indian Territory; that there is no lawfully acceptable material whatsoever placed before this Hon'ble Tribunal to support the apprehension exhibited by the Central Government that the concept of Tamil Eelam includes annexation of any part of Indian Territory; that in the absence of any lawfully acceptable material recovered or produced from LTTE or its office bearers or members, directly establishing any nexus to the alleged formation of Tamil Eelam including any part of the Indian territory, such a sweeping allegation which leads to the declaration is not sustainable; that the security of any VVIP is not a ground to ban an organization as an 'Unlawful Association'; that none of the provisions of the Act mandate that a threat to the security of a VVIP is an unlawful activity thereby declaring any association unlawful; that Section 2(p) of the UAP Act provides that any unlawful activity should be intended to divide India Territorially or causing disaffection against India whereas the allegation of exploitation of situation prevailing in Sri Lanka by any individual groups, organizations and political parties even Pro-LTTE forces supporting the cause of the LTTE cannot be a ground to declare LTTE as an unlawful association; that the formation of opinion for LTTE by the Central Government is mere suspicion, which deserves to be rejected.

Statutory Provisions of UAPA, 1967

42. On hearing the arguments and perusal of the record, at the outset, it would be appropriate to analyse the statement of objects and reasons and statutory provisions of the UAP Act. The UAP Act is "*An Act to provide for the more effective prevention of certain unlawful activities of individuals and associations and dealing with terrorist activities and for matters connected therewith.*"

43. Section 3 of the UAP Act, 1967 states that the Central Government may notify in the Official Gazette, on forming an opinion that any association is or has become an unlawful association, and declare such an association to be unlawful. The relevant portion of Section 3 reads as under:-

"3. Declaration of an Association as unlawful .-

(1) If the Central Government is of opinion that any association is, or

has become, an unlawful association, it may, by notification in the Official Gazette, declare such association to be unlawful.

(2) Every such notification shall specify the grounds on which it is issued and such other particulars as the Central Government may consider necessary:

Provided that nothing in this sub-section shall require the Central Government to disclose any fact, which it considers to be against the public interest to disclose.

(3) No such notification shall have effect until the Tribunal has, by an order made under Section 4, confirmed the declaration made therein and the order is published in the Official Gazette:

Provided that if the Central Government is of opinion that circumstances exist which render it necessary for that Government to declare an association to be unlawful with immediate effect, it may, for reasons to be stated in writing, direct that the notification shall, subject to any order that may be made under Section 4, have effect from the date of its publication in the Official Gazette....."

Definition of Unlawful Activities

44. It is also relevant to rummage through Sections 2(o) and 2(p) of the UAP Act. Section 2(o) of UAP Act defines 'Unlawful Activities' as under:-

"2(o). 'Unlawful Activities', in relation to an individual or association, means any action taken by such individual or association (whether by committing an act or by words, either spoken or written, or by signs or by visible representations or otherwise), -

(i) Which is intended, or supports any claim, to bring about, on any ground whatsoever, the cessation of a part of territory of India or secession of a part of the territory of India from the Union, or which incites any individual or group of individuals to bring about such cessation or secession; or

(ii) Which disclaims, questions, disrupts or is intended to disrupts the sovereignty or territorial integrity of India, or

(iii) Which causes or is intended to cause disaffection against India."

Definition of "Unlawful Association"

45. Section 2(p) defines 'Unlawful Association' as under:-

"2(p). 'Unlawful Association' means any association, -

(i) Which has for its object any unlawful activity, or which encourages or aids person to undertake any unlawful activity, or of which the members undertake such activity; or

(ii) Which has for its object any activity which is punishable under section 153A or section 153B of the Indian Penal Code (45 of 1860); or which encourages or aids person to undertake any such activity or of which the members undertake any such

activity:

Provided contained in sub-clause(ii) shall apply to the State of Jammu & Kashmir."

46. The expressions "Unlawful Activity" and "Unlawful Association" as contained in the Act came up for consideration before the Supreme Court in **Jamaat-E-Islami Hind v. Union of India** (1995) 1 SCC 428 and the following view was taken:-

"An "unlawful activity", defined in clause (f), means "any action taken" of the kind specified therein and having the consequence mentioned. In other words, "any action taken" by such individual or association constituting an "unlawful activity" must have the potential specified in the definition. Determination of these facts constitutes the foundation for declaring an association to be unlawful under sub-section (1) of Section 3 of the Act. Clause (g) defines "unlawful association" with reference to "unlawful activity" in sub-clause (i) thereof, and in sub-clause (ii) the reference is to the offences punishable under Section 153-A or Section 153-B of the Indian Penal Code. In sub-clause (ii), the objective determination is with reference to the offences punishable under Section 153-A or Section 153-B of the IPC while in sub-clause (i) it is with reference to "unlawful activity" as defined in clause (f). These definitions make it clear that the determination of the question whether any association is, or has become, an unlawful association to justify such declaration under sub-section (1) of Section 3 must be based on an objective decision; and the determination should be that "any action taken" by such association constitutes an "unlawful activity" which is the object of the association or the object is any activity punishable under Section 153-A or Section 153-B IPC. It is only on the conclusion so reached in an objective determination that a declaration can be made by the Central Government under sub-section (1) of Section."

47. As regards the nature of inquiry contemplated under Section 4(3) of the Act, Supreme Court in **Jamaat-E-Islami Hind** (supra) held as under-

"11.....The nature of inquiry contemplated by the Tribunal requires it to weigh the material on which the notification under sub-section (1) of Section 3 is issued by the Central Government, the cause shown by the Association in reply to the notice issued to it and take into consideration such further information which it may call for, to decide the existence of sufficient cause for declaring the Association to be unlawful. The entire procedure contemplates an objective determination made on the basis of material placed before the Tribunal by the two sides; and the inquiry is in the nature of adjudication of a lis between two parties, the outcome of which depends on the weight of the material produced by them. Credibility of the material should, ordinarily, be capable of objective assessment. The decision to be made by the Tribunal is "whether or not there is sufficient cause for declaring the Association unlawful". Such a determination requires the Tribunal to reach the conclusion that the material to support the declaration outweighs the material against it and the additional weight to support the declaration is sufficient to sustain it. The test of greater probability appears to be the pragmatic test applicable in the context.

25. Such a modified procedure while ensuring confidentiality of such information and its source, in public interest, also enables the adjudicating authority to test the credibility of the confidential information for the purpose of deciding whether it has to be preferred to the conflicting evidence of the other side. This modified procedure

satisfies the minimum requirements of natural justice and also retains the basic element of an adjudicatory process which involves objective determination of the factual basis of the action taken.

26. What is the fair procedure in a given case, would depend on the materials constituting the factual foundation of the notification and the manner in which the Tribunal can assess its true worth. This has to be determined by the Tribunal keeping in view the nature of its scrutiny the minimum requirement of natural justice, the fact that the materials in such matters are not confined to legal evidence in the strict sense, and that the scrutiny is not a criminal trial. The Tribunal should form its opinion on all the points in controversy after assessing for itself the credibility of the material relating to it, even though it may not be disclosed to the association, if the public interest so requires.

27. It follows that, ordinarily, the material on which the Tribunal can place reliance for deciding the existence of sufficient cause to support the declaration, must be of the kind which is capable of judicial scrutiny. In this context, the claim of privilege on the ground of public interest by the Central Government would be permissible and the Tribunal is empowered to devise a procedure by which it can satisfy itself of the credibility of the material without disclosing the same to the association, when public interest so requires. The requirements of natural justice can be suitably modified by the Tribunal to examine the material itself in the manner it considers appropriate, to assess its credibility without disclosing the same to the association. This modified procedure would satisfy the minimum requirement of natural justice and judicial scrutiny. The decision would then be that of the Tribunal itself.”

48. Two questions primarily arise for consideration before the Tribunal, the first question being as to whether LTTE, as an organization stands wholly decimated or continues to survive despite the military setback suffered by it in Sri Lanka and the second being as to whether there was cogent and relevant material before the Central Government, justifying formation, of an opinion that this is an unlawful association within the meaning of Section 2 (p) of the Act.

LTTE Reference

49. Returning to the facts of the present case, as per the present reference made by the Central Government in support of declaring the LTTE as an unlawful association under Section 3 (1) of the UAP Act vide notification S.O. 1730 (E) dated 14.05.2019, they have referred to the aims, objectives of the LTTE and also referred to various activities of the members of the LTTE and also of its followers and sympathizers.

Aims and Objectives

50. The main ground for declaring the LTTE as an ‘Unlawful Association’ under Sub-section (1) of Section 3 of the UAP Act for a further period of five years w.e.f. 14.05.2019, is that even after the military defeat in May, 2009, the LTTE has not abandoned the concept of ‘Eelam’ and has been clandestinely working towards the ‘Eelam’ cause, by undertaking fund raising and propaganda activities and the remnant LTTE leaders and cadres have also initiated efforts to regroup the scattered activities and resurrect the outfit locally particularly in Tamil Nadu and Internationally. Further, the Central Government has highlighted various cases registered under the UAP Act against LTTE, pro LTTE elements and chauvinist groups since the last notification issued by the Government of India vide

notification S.O. 1272 (E) dated 14th May, 2014 in order to support the issuance of notification S.O. 1272 (E) dated 14th May, 2019. Further the Central Government was of the view that the activities of LTTE, pro LTTE elements and chauvinist groups continue to pose a threat to, and are detrimental to the sovereignty and territorial integrity of India.

Thereafter, Veerakumar obtained the original Sri Lankan passport of Thevika and was making efforts to send her to France or Canada but she got arrested on 24.06.2018.
67. According to PW-1, during investigation, it transpired that Thevika had visited her house at Padamawati Nagar, Chennai and she had come to Tamil Nadu to regroup the Ex-LTTE Cadre and revive the LTTE organization. After their arrest, the High Court of Madras has granted bail to all the three accused persons namely P.Krishnamoorthy, Thevika and Krishnaraj, however, Thevika and Krishnaraj have jumped their bail and presently evading arrest.

PW-7 further relied on the confessional statement of accused/ Kumaran @ Murugan @ Udayakumar (**Ex. PW-7/3**). The Confessional Statement of accused/ Kumaran @ Murugan @ Udayakumar has already been perused by the Tribunal in the statement of PW-6 D. 69. **PW-9 P. Shanmugam, Inspector of Police, Madurai District, Tamil Nadu** in her evidence by way of affidavit (**EX. 70. PW-5 C. Sumathi, Inspector of Police, Chennai City, Tamil Nadu in her evidence by way of affidavit (**EX. She further deposed that during investigation, she visited the UTI Office and collected some more documents, which revealed that the Village Administrative Officer had not signed the KYC document which had been received by UTI Office, Chennai. One certificate had also been issued by Dr.Gomathishankar, Peripheral Hospital, K. K. Nagar, Chennai and during inquiry he denied having issued those certificates. Both the certificates were forwarded to Tamil Nadu Forensic Laboratory for comparison. In support of her version, PW-5 placed on record the forged PAN

application submitted by the Kumaran and also the fabricated certificate purported to have been issued by the Village Administrative Officer and by Dr. Gomathishankar. The documents are **Ex.PW5/C (Colly.)**.

71. **PW-8 Illavarasu, Inspector of Police, Sivagangai District City, Tamil Nadu** in his evidence by way of affidavit (**EX. PW-8/1**) stated that on the basis of the complaint made by Sub Inspector of Police Station - Sivagangi, **Cr. No. 180/2019 dated 07.04.2019 (Ex.PW-8/2)** was registered at Police Station – Kalaiyarkoil, Sivagangai under Section 120(B) / 153 / 505(1)(b) / 505 (1) (c) / 505 (2) of the Indian Penal Code against 10 accused persons. PW-8 deposed that a public meeting was convened on 27.11.2017 in Theradi Thidal (Temple Car Square), Kalaiyarkovil which was presided over by Pannerselvam (**President of Inangalin Iraiymaikana Ilangnar Manavar Iyakkam Association**), who delivered a speech to induce the public to make struggle against the Government and its establishments in order to revive the LTTE cadre. The relevant part of the speech rendered by Pannerselvam as detailed in **Ex.PW-8/1**, reads as under:-

"The Tamil people who struggled for the liberation of the Tamil Eelam were killed and buried by the Sri Lankan Government with the aid of Government of India. the Tamils at Sri Lanka were in two races, one race is the coolies of the Estates in the hills. Other is the Tamilans of Eelam. The Tamilans of Eelam are brilliant, intellectuals and wealthy. The Sri Lankan Government with an intention to capture the wealth and oppress their intellectuals had killed and buried them in groups.

Mrs. Indira Gandhi had supported and supplied arms to the LTTE and several groups to eliminate the American domination in Sri Lanka. The Sri Lanakan Government negotiated with the Indian Government and requested to curb the LTTE and the other groups and demanded the supply of arms. Mr. Rajiv Gandhi advised the LTTE to drop the weapons and join the civilian administration. As the LTTE group declined to accept it, he had sent the Peace Keeping Force from the Indian Army and killed several LTTEs. Even then the LTTE had fought ferociously and defeated the Indian Peace Keeping Force. Aggrieved men and women came to Tamil Nadu and punished Mr. Rajiv Gandhi. It was not a murder. It was the punishment awarded to him. Even though India is having several races, they are not suppressing each other. But the culprits of parliament and State Assemblies had suppressed them with various enactments. The racial and religious extremists had killed the Daliths and Muslims. Such extremists are ruling the Central Government. The Muslims and Daliths must join with us to struggle against such extremists....."

Findings on the cases registered against members of LTTE/Pro-LTTE between the year 2014-2018

72. PW-8 in his affidavit (**PW-8/1**) has stated that the speech rendered by accused/Pannerselvam was endorsed by the other accused persons and have been reiterated by them in their words adding support for revival of LTTE in Tamil Nadu. PW-8 in his affidavit **Ex. PW-8/1** stated that the organization namely '**Inangalin Iraiymaikana Ilangnar Manavar Iyakkam Association**' presided over by Pannerselvam was formed for the purpose of reviving LTTE in India with an objective of secession of Tamil Nadu from the Union of India to form separate Tamil Eelam and to regroup the Ex-LTTE Cadre and revive the LTTE organization.
73. Record reveals that activities of LTTE remnant cadres, dropouts sympathizers, supporters

have been traced out in the State of Tamil Nadu recently, who are carrying on illegal activities, despite ban and there is a continuous infiltration of LTTE cadres into India, particularly in the State of Tamil Nadu and there are persistent smuggling activities and other clandestine operations. It has further emerged on record that the pro-LTTE elements and the remnant LTTE cadres, by use of local smugglers actively participating in unlawful activities in pursuance of the unlawful objectives of the LTTE.

Perusal of the record also shows that three separate cases have been registered against the accused/ Kumaran @ Murugan @ Udhayakumar, who is a Sri Lankan national and an Ex-LTTE cadre for his involvement in reviving the LTTE. The record adduced by the State Government of Tamil Nadu further fortifies their stand that apart from Ex-Cadre LTTE there are many other political associations and individual organizations, who are promoting the cause of Tamil Eelam in the State of Tamil Nadu through their speeches, articles in magazines, calendars, books and also through distribution of pamphlets and other reading materials.

The judgment rendered by the Principal District & Sessions Judge, Ramanathapuram, Tamil Nadu clearly depicts that accused/ Kumaran @ Murugan @ Udhayakumar is actively participating in regrouping the Ex-LTTE cadres and also involved in smuggling of arms and other banned products.

The perusal of judgment in CID Cr. No. 1/2015 further proves that there is deep nexus between Ex-Cadre LTTE and sympathizers of LTTE organization, who are actively involved in providing financial aids as well as arms and ammunition to their associates in Sri Lanka to take revenge from Sri Lankan Government, who was responsible for the genocide of Tamils in Sri Lanka. Perusal of the aforementioned criminal cases further suggests that apart from accused/Kumaran @ Murugan @ Udhayakumar other Ex-Cadre LTTE and Sri Lankan nationals *namely P. Krishnamoorthy, Thevika and Krishnaraj* are also active in the Indian territory in order to revive the LTTE organization.

The illegal immigration of the Sri Lankans through coastal areas, the smuggling of narcotics to raise funds and supply of fuel, explosives etc. from the Indian soil are all evidences of the active presence of LTTE in India. The confessional statements, which are corroborated by the accused persons and seizure of material sought to be smuggled to Sri Lanka, admittedly for the activities of the LTTE, eloquently proves that Indian soil is being used for unlawful activities propelled by the remnant LTTE cadres.

Analysis of other relevant material procured by State Government of Tamil Nadu

74. In addition to the criminal cases as detailed above, the State Government of Tamil Nadu has submitted various reports to the Central Government which depict the activities of the Ex-Cadre LTTE and sympathizers of the banned organization to resurrect the organization towards the 'Eelam' cause.

Dharamrajan, IPS, Superintendent of Police, 'Q' Branch CID, Chennai, Tamil Nadu through his evidence by way of affidavit *Ex.PW-10/2* and supporting documents detailed below, stated that the Ex- LTTE Cadre and separatist Tamil Chauvinist groups and pro-LTTE groups continue to spread anti India feeling amongst the Sri Lankan Tamils by

79. 80. Another report was given by the Superintendent of Police, Q Branch CID to the Principal Secretary, Government of Tamil Nadu vide *Ex.PW/10/27* in which it was reported that the members of Pro-Tamil/Pro-LTTE organizations had observed 26.09.2017 as the Death Anniversary of LTTE Cadre Thileepan by garlanding his portrait, conducting public meeting and exhibiting posters in some parts of Tamil Nadu. 81. The Principal Secretary, Government of Tamil Nadu was informed by the Superintendent of Police, 'Q' Branch CID on the basis of a report *Ex.PW-10/28* that members of Pro-Tamil/Pro-LTTE/Members of '*May 17 Movement*', had conducted a conference at Anna Auditorium, Chepauk, Chennai and held various debates condemning genocide of Tamils in Sri Lanka and liberation of Tamil Eelam and the speakers in general voiced that the liberation of Tamil Eelam is the only solution to solve the ethnic crisis of Sri Lankan Tamils and demanded an International probe on the alleged war crimes and human rights violations committed by Sri Lankan Army in 2009. The report also gave the information that in a meeting Tamilneyan (General Secretary, Tamil Desa Makkai Katchi) had applauded the constitution of LTTE as it gave equal importance to both genders and that Vaiko in his speech had recalled his experience with the LTTE Cadres and his participation in the UNHCR meeting on Tamil Eelam issue and took a stand that Tamil Eelam would get liberated. Information had also been collected that in the conference Pro-Tamil/Pro-LTTE organizations/Members of '*May 17 Movement*' resolved to urge International Judicial enquiry for the crimes against humanity and genocide committed against Tamils in Sri Lanka and also resolved to urge the Sri Lankan Military to quit from the '*Traditional Tamil Homeland*' in Sri Lanka. In the conference, it was further resolved to urge the Governments of India, America and other countries for revocation of ban on LTTE and also resolved to seek permission to construct memorial for the Sri Lankan Tamils who were killed in the genocide, at Marina.
82. In *Ex. PW-10/31* a report submitted by C. Vijayakumar, IPS, Superintendent of Police Cuddalore District, Tamil Nadu to the Superintendent of Police, 'Q' Branch CID, it was stated that members of pro-Tamil/pro-LTTE organization/Tamil Desa Makkai Katchi observed 22nd Death Anniversary of Lenin, former leader of Tamil Nadu Liberation Army (TNLA) by holding a meeting near the Vlapattarai Bus Stop, Pennadam, Tamil Nadu wherein the members of the Pro-LTTE organization condemned massacre of Tamils in Sri Lanka and blamed that the Indian Government did not respect Tamils in Sri Lanka and acted

- against their interest and appealed to the participants to fight against exploitation and protect the right of the Tamils.
83. In *Ex. PW-10/34* a report submitted by the Superintendent of Police, Q Branch CID to the Principal Secretary, Government of Tamil Nadu, it was informed that the members of Pro-Tamil/Pro-LTTE organizations/All Students Federation under the aegis of Tamil Youth and Students Federation announced agitation on 18.09.2015 against US establishments throughout the State and have proposed to burn National Flag of US for condemning the United States of America for submitting a report in U.N. on 16.09.2015 in support of Sri Lankan Government.
84. The Superintendent of Police, 'Q' Branch CID submitted a report *Ex.PW-10/36* to the Principal Secretary to the Government of Tamil Nadu that on 30.08.2016, members of Pro-Tamil/Pro-LTTE organizations/ Ilantamizhagam and Thanthai Periya Dravidar Kazhagam observed Memorial Day at various places in the State of Tamil Nadu, in view of International Day of the Victims of enforced disappearance and to pay tribute to the people who lost their lives in Civil War of 2009. It was further reported that in the press meet, Vaiko and many LTTE leaders, sought information about Srilankan Tamilians who were arrested by the Sri Lankan Government after the Civil War and have not been released/missing. He alleged that 107 Ex-LTTE Cadres have been poisoned by the Sri Lankan Government by injecting drugs. Further information collected was that the speakers in general demanded the State Government of Tamil Nadu to prevail upon the Central Government to exert pressure on the Sri Lanakan Government to take action to find out the fate of missing persons during civil war in the year 2009 and further insisted for an International Trial against the Sri Lankan Government on the disappearance of Ex-LTTE Cadres.
85. From the perusal of the preceding paragraphs, it is evident that pro-Tamil/pro-LTTE organizations are in existence and actively participating in regrouping the LTTE Cadres and have been appealing to the citizens of the Tamil Nadu to participate in formation of a separate Tamil Eelam through modes of public speeches, articles published in the newspaper and magazines, public rallies; that the Central Government has also succeeded in establishing that sympathizers/ supporters of LTTE in India have been spreading anti-India feelings amongst the Tamils through public speeches and interest portals; that the speeches undoubtedly incite hatred and feeling of dissatisfaction and disaffection for India, and separationist feeling amongst the Tamils living in India, thereby posing a grave threat to the national integrity; that the provocative speeches in favour of LTTE are being made in which the top political leaders of the country are branded as traitors and Indian Tamils are incited to claim a separate land on the basis of linguistic and cultural divergence to form part of the Tamil Eelam; that Pro-Tamil/Pro-LTTE organizations were observing death anniversaries as well as Martyr's day of Ex-LTTE Cadre namely, LTTE chief Prabhakaran, Thileepan and Muthukumar etc. in order to incite the participants of the gathering to condemn the State and Central Governments and act towards formation of Tamil Eelam; that pro-Tamil/pro-LTTE organizations have also been organizing public meeting and

exhibiting posters and also garlanding the portrait of LTTE Cadres for enhancing the support base for LTTE in India and particularly in Tamil Nadu. It is further evident from the reports submitted by the State Government of Tamil Nadu that Ex LTTE Cadre and separatist Tamil Chauvinist groups and pro-LTTE groups are spreading anti India feeling amongst the citizens of Tamil Nadu to regroup the scattered activities of LTTE and resurrect the outfit in India more particularly in Tamil Nadu.

Conclusion

86. The Central Government for the first time vide notification dated 14.05.1992 declared the LTTE as an '*Unlawful Association*'. Even though the activities of the LTTE were drastically curtailed and controlled by stern measures taken by the Government of India, successive bans were imposed by the Central Government and confirmed by the various Tribunals. The last ban on the LTTE was imposed vide Notification dated 14.05.2014 and confirmed by the Tribunal, which remained in existence till 13.05.2019.
87. Vide notification dated 14.05.2019, the Central Government declared the LTTE as an '*Unlawful Association*' under Sub-Sections (1) and (3) Section 3 of UAP Act on the ground that the LTTE is an association based in Sri Lanka having its supporters, sympathisers and agents in the territory of India; that the objective of LTTE is for a separate homeland (Tamil Eelam) for all Tamils which threaten the sovereignty and territorial integrity of India and amounted to cession and secession of a part of territory of India from the Union, thus, falling within the ambit of '*Unlawful Activities*'; that even after military defeat of LTTE in May, 2009 in Sri Lanka, the LTTE has been clandestinely working towards the 'Eelam' by undertaking fund raising and propaganda activities and remnant LTTE leaders or cadres had initiated efforts to regroup the scattered activities and enhanced the support base for LTTE in India and particularly in the State of Tamil Nadu which will have a strong disintegrating influence over the territorial integrity of India and there was a strong need to control all such activities; that since the activities of LTTE continued to pose a threat to the security of India, the LTTE is declared an '*Unlawful Association*'.
88. The Tribunal has gone through the documentary evidence placed on record, the affidavits and oral evidence adduced by the Union of India and the State of Tamil Nadu. The Tribunal has also examined the secret documents filed on behalf of the Central Government.
89. There are several cases under the provisions of Unlawful Activities (Prevention) Act, Indian Penal Code, Explosive Substances Act, The Foreigners Act, The Passports Act, Tamil Nadu Open Places (Prevention of disfigurement) Act etc. registered against the members, supporters, sympathizers of LTTE /pro-Tamil/pro-LTTE organizations since the last notification issued by the Government of India, Ministry of Home Affairs vide S.O. 1272 (E) dated 14th May, 2014 that is between May, 2014 and May, 2019.
90. The evidence led on behalf of the State of Tamil Nadu and the Union of India remained un rebutted. Since, LTTE has not come forward to appear before this Tribunal to contest the stand taken by the Central Government with respect to the aims and objectives of LTTE, there is no reason to overlook the interpretation given by the Central Government to the objectives set out in the Constitution of LTTE. Further, nothing prevented LTTE from coming forward to the Tribunal and took a categorical stand that it does not subscribe to any

such objective which is aimed at cession of a part of the territory of India and does not advocate integration of one or more parts of India with the Tamil speaking parts of Sri Lanka. Thus, in the absence of rebuttal of evidence adduced by way of the statements made by various witnesses examined by and on behalf of the Union of India and the State of Tamil Nadu, as also the documentary evidence, which has been submitted in support of their respective testimonies and the evidence by way of affidavit(s), there is no reason to disbelieve the same.

91. The testimonies of the witnesses i.e. PW-1 to PW-11 as well as the documents produced by the State Government of Tamil Nadu and Central Government have established that the members, supporters, sympathizers of LTTE /pro-Tamil/pro-LTTE organizations are still in existence and indulging in unlawful activities which threatens the sovereignty and territorial integrity of India, which amounts to cession and secession of a part of the territory of India from the Union and thus falls within the ambit of unlawful activities as prescribed under Section 2(o) of the Act. The incriminating evidences produced by the witnesses through their respective testimonies and affidavit(s), establishes the fact that the members, supporters, sympathizers of LTTE /pro-Tamil/pro-LTTE organizations, even after the Civil War in the year 2009, in Sri Lanka, have not abandoned the concept of 'Tamil Eelam' and has been clandestinely working towards the 'Eelam' cause by undertaking fund raising and propaganda activities to regroup the scattered activists and revive the LTTE and further continue to foster a separatist tendency amongst the masses in order to enhance the support base of LTTE, locally and internationally. It has further emerged on record that LTTE remnant cadres, dropouts, sympathizers, supporters, leaders, operatives/pro-LTTE organizations, despite the ban in force, attempts to extend the support to LTTE to continue their violent and disruptive activities which are detrimental to the sovereignty and territorial integrity of India and is also detrimental to the law and order situation of the country.
92. Since, one of the objectives of LTTE is cession of a part of territory of India, it becomes an 'unlawful association' within the meaning of Section 2(p) of UAP Act and the Central Government, therefore, had sufficient cause for declaring the LTTE to be an unlawful association on this ground alone.
93. Section 2(m) of UAP Act defines 'Terrorist Organization' to mean an organization listed in the Schedule or an organization operating under the same name as an organization so listed, and admittedly, LTTE is one of the organizations listed in the Schedule at Serial No. 21 of the First Schedule meaning thereby that it is a terrorist organization within the meaning of the Act. Section 35(1)(c) of UAP Act empowers the Government to remove an organization from the Schedule. Section 36 of UAP Act provides for an application being made to the Central Government to exercise its powers to remove an organization from the Schedule and such an application can be made either by the organization or by any person affected by the inclusion of the organization in the Schedule as a 'terrorist organization'. In case such an application is rejected, the applicant may seek a review by the Review Committee to be constituted by the Central Government under Section 37(1) of UAP Act. However, no application has so far been made by the LTTE or by any person affected by its inclusion in

- the Schedule, for removing the name of the organization from the list. Consequently, the LTTE continues to be a 'terrorist organization'.
94. Since, one of the aims and objectives of LTTE is to protect and preserve the geographical identity and integrity of the '*traditional homelands of Tamils and Muslims*'. The State of Tamil Nadu has traditionally been considered to be the homeland of Tamil and, therefore, the ultimate objective of LTTE is to integrate traditional Tamil areas of India with the Tamil speaking areas of Sri Lanka and such an act constitutes 'unlawful activity' within the meaning of Section 2(o) of UAP Act, being intended to bring about cession of a part of the territory of India. To state briefly, the prime objective of LTTE is "***Total Liberation of its homeland and the establishment of an independent, sovereign socialist State of Tamil Nadu***" which still remains to be its prime target and many activities during this period are aimed for that, by the LTTE/Pro-LTTE groups.
95. A comprehensive and holistic reading of the evidence adduced by the Central Government as well as State of Tamil Nadu, it is evident that LTTE continued to operate in India during the period from 2014 to 2019 more particularly in the State of Tamil Nadu and has indulged in various disruptive activities in order to malign Government of India with an object of creating a separatist Tamil Eelam and the details of which have already been placed on record by the witnesses.
96. In view of the above discussion, I am of the firm view that the Central Government has been able to place on record the sufficient material and cause for declaring the LTTE as an 'Unlawful Association' under the UAP Act and the same was necessitated in national interest. The declaration made by the Central Government vide Notification No. S.O. 1730 (E) dated 14.05.2019 under Section 3(1) of the Unlawful Activities (Prevention) Act, 1967 is hereby confirmed.
