Training Officers in the Industrial Training Institutes / Centres" in column (1) and the corresponding entries in column (3) thereof the following entry shall respectively be substituted in lieu of the existing entries in 1 (b) and 2(c), namely:-

Training Officer in the Promotion Industrial Training Institutes / Centres

- 1 (b). Must have put in service for a period of not less than two years as Assistant Training Officer/Purchase Assistant or two years of service together in the posts of Junior Training Officer and Assistant Training Officer/Purchase Assistant.
- 2 (c). Must have put in service for a period of not less than two years as Assistant Training Officer/Purchase Assistant or two years of service together in the posts of Junior Training Officer and Assistant Training Officer/Purchase Assistant.

(11) in the annexure to rule 5 (b), (i) for the category "3. Junior Training Officers in various trades in the Industrial Training Institutes" in column (1) and the corresponding entries in column (2) and (3) thereof, the following entries respectively be substituted, namely:-

3(a) JUNIOR TRAINING OFFICER

(Computer Aided Embroidery and Designing)

Direct recruitment or transfer from any other class or category of the same service or recruitment by transfer from any other service

SSLC Pass or equivalent and
Any one of the following :-

Degree in Textile Designing/ Fashion Technology/ Costume Design & Dress Making / Apparel Technology / Textile Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Computer Aided Embroidery & Designing field.

OR

Diploma in Garment Technology / Apparel Technology / Costume Design And Dress Making / Fashion Design & Clothing Technology / Fashion Technology / Textile Designing from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Computer Aided Embroidery & Designing field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(b) JUNIOR TRAINING OFFICER

(Dress Making)

SSLC Pass or equivalent and
Any one of the following :-

Degree in Fashion & apparel Technology / Apparel Technology/ Textile Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Dress Making field.

OR

Diploma in Garment fabricating technology / Garment Technology/ Apparel Technology / Costume Design And Dress Making / Fashion Design & Clothing Technology / Fashion Technology from institution/ University recognised by All India Council For Technical Education/ UGC with two years experience in Dress Making field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(c) JUNIOR TRAINING OFFICER

(Fashion Design and Technology)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Apparel Technology / Textile Technology from institution/ University recognised by All India Council For Technical Education / UGC with one year experience in Fashion Design and Technology field.

OR

Diploma in Garment Technology / Apparel Technology / Costume Design And Dress Making / Fashion Design & Clothing Technology/ Fashion Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Fashion Design and Technology field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(d) JUNIOR TRAINING OFFICER

(Sewing Technology)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Fashion & Apparel Technology / Textile Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Sewing Technology field.

OR

Diploma in Garment fabrication Technology/ Costume Design & Dress Making / Garment Technology / Apparel Technology/ Fashion Design & Clothing Technology / Fashion Technology from institution / University recognised by All India Council For Technical Education / UGC with two year experience in Sewing Technology field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(e) JUNIOR TRAINING OFFICER

(Surface Ornamentation Techniques) (Embroidery)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Fashion and Apparel Technology / Textile Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Surface Ornamentation Techniques (Embroidery) field.

OR

Diploma in Dress Making / Garment fabricating technology / Costume designing / Garment Technology / Apparel Technology / Costume Design And Dress Making / Fashion Design & Clothing Technology / Fashion Technology from institution / University recognised by All India Council For Technical Education / UGC with two year experience in Surface Ornamentation Techniques (Embroidery) field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(f) JUNIOR TRAINING OFFICER

(Mechanic Agricultural Machinery)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering /Technology in Agriculture / Agricultural and Irrigation / Auto Mobile / Mechanical from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Mechanic Agricultural Machinery field.

OR

Diploma in Agricultural Technology / Agricultural Engineering and Farm Equipment Technology / Agricultural Engineering / Automobile Engineering / Mechanical Engineering from institution / University recognised by All India Council For Technical Education/UGCwith two years experience in Mechanic Agricultural Machinery field

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(g) JUNIOR TRAINING OFFICER

(Mechanic Auto Body Painting)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Automobile/ Mechanical (with specialization in Automobile) / Mechanical from institution / University recognised by All India Council For Technical Education/ UGC with one year experience in Auto Body Painting field.

OR

Diploma in Automobile / Mechanical (specialization in automobile)/ Mechanical Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Auto Body Painting field

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(h) JUNIOR TRAINING OFFICER

(Mechanic Auto Body Repair)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Automobile from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Auto Body Repair field.

OR

Diploma in Mechanical Engineering / Automobile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Auto Body Repair field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(i) JUNIOR TRAINING OFFICER

(Mechanic Auto
Electrical and
Electronics)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Automobile / Mechanical Electrical / Electronics Communication (with specialization in Automobile) from institution / University recognised by All India Council for Technical Education / UGC with one year experience in Auto Electrical & Electronics field.

OR

Diploma in Automobile / Mechanical Engineering/ Electrical / Electronics & Communication & Engineering (with specialization in Automobile) from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Auto Electrical & Electronics field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(j) JUNIOR TRAINING OFFICER

(Mechanic Diesel)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Automobile / Mechanical (with specialization in Automobile) / Mechanical from institution / University recognised by All India Council For Technical Education/ UGC with. one year experience in Mechanic Diesel field.

OR

Diploma in Automobile/ Mechanical (specialization in automobile)/ Mechanical Engineering from institution / University recognised by All India Council For Technical Education / UGCwith two years experience in Mechanic Diesel field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(k) JUNIOR TRAINING OFFICER

(Mechanic Two & Three
Wheeler)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Automobile / Mechanical (with specialization in Automobile) / Mechanical from institution / University recognised by All India Council For Technical Education/ UGC with one year experience as Motor Cycle Mechanic.

OR

Diploma in Automobile / Mechanical (specialization in automobile)/ Mechanical Engineering from institution / University recognised by All India Council For Technical Education / UGCwith two years experience as Motor Cycle Mechanic.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(l) JUNIOR TRAINING OFFICER

(Mechanic Motor Vehicle)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering/Technology in Mechanical / Automobile from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Motor Vehicle Mechanic.

OR

Diploma in Mechanical Engineering /Automobile Engineering from institution/ University recognised by All India Council For Technical Education / UGC with two years experience as Motor Vehicle Mechanic.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(m) JUNIOR TRAINING OFFICER

(Mechanic Tractor)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering/Technology in Agriculture / Automobile / Mechanical (with specialization in Automobile) / Mechanical from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Tractor Mechanic.

OR

Diploma in Agriculture Engineering / Automobile / Mechanical Engineering (with specialization in (Automobile) / Mechanical Engineering from institution / University recognised by All India Council For Technical Education / UGC with two year experience as Tractor Mechanic.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(n) JUNIOR TRAINING OFFICER

(Mechanic Electric Vehicle)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering/Technology in Mechanical / Automobile from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Electric Vehicle Mechanic.

OR

Diploma in Mechanical Engineering / Automobile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Electric Vehicle Mechanic.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(o) JUNIOR TRAINING OFFICER

(Pump Operator *Cum* Mechanic)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Automobile from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Pump-Operator-*cum*-Mechanic.

OR

Diploma in Mechanical Engineering / Automobile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Pump-Operator-*cum*-Mechanic

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(p) JUNIOR TRAINING OFFICER

(Marine Engine Fitter)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Marine / Mechanical / Automobile from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Marine Engine Fitter.

OR

Diploma in Mechanical Engineering / Automobile Engineering / Marine Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Marine Engine Fitter.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(q) JUNIOR TRAINING OFFICER

(Cosmetology)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Cosmetology from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Cosmetologist.

OR

Diploma in Beauty Culture / Cosmetology from institution / University recognised by All India Council For Technical Education/ UGC with two years experience as Cosmetologist.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(r) JUNIOR TRAINING OFFICER

(Instrument Mechanic -
Chemical Plant)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Chemical / Instrumentation/ Process Control instrumentation / Petrochemical from institution / University recognised by All India Council For Technical Education/ UGC with one year experience as Instrument Mechanic in Chemical Plant.

OR

Diploma in Engineering / Technology in Chemical / Instrumentation/ Process control instrumentation / from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Instrument Mechanic in Chemical Plant.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3 (s) JUNIOR TRAINING OFFICER

(Maintenance
Mechanic - Chemical
Plant)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Chemical Technology/ Chemical Engineering / Petrochemical Engineering from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Maintenance Mechanic in Chemical Plant.

OR

Diploma in Chemical Technology / Chemical Engineering/ Petrochemical Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Maintenance Mechanic in Chemical Plant.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(t) JUNIOR TRAINING OFFICER

(Plastic Processing
Operator)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Plastics, Polymer Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Plastic Processing Operator.

OR

Diploma in Plastics Technology/Engineering Polymer Technology / from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Plastic Processing Operator.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(u) JUNIOR TRAINING OFFICER

(Fire Technology and Industrial Safety Management)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Fire Science / Industrial Safety and Management / Degree in Engineering/Technology in Fire & Safety from institution University recognised by All India Council For Technical Education/ UGC with one year experience in the field of Fire Technology and Industrial Safety Management.

OR

Diploma in Industrial Safety Engineering/ Fire and Industrial Safety Engineering / Health, Safety & Environment / Industrial Safety / Fire Safety from institution University recognised by All India Council For Technical Education / UGC with two years experience in the field of Fire Technology and Industrial Safety Management.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(v) JUNIOR TRAINING OFFICER

(Mechanic Machine Tool Maintenance)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production / Manufacturing / Machine Tool Maintenance & Repairs from institution / University recognised by All India Council For Technical Education / UGC with one year experience* in Machine Tool Maintenance field.

OR

Diploma in Mechanical / Production / Manufacturing Engineering / Machine Tool Maintenance & Repairs from institution / University recognised by All India Council For Technical Education / UGC with two years experience* in Machine Tool Maintenance field

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(w) JUNIOR TRAINING OFFICER

(Draughts man
Mechanical)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production / Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Mechanical Draughtsman.

OR

Diploma in Mechanical / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years as Mechanical Draughtsman.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(x) JUNIOR TRAINING OFFICER

(Fitter)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Fitter.

OR

Diploma in Mechanical / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Fitter.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(y) JUNIOR TRAINING OFFICER

(Foundryman)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Metallurgy / Production / Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Foundryman.

OR

Diploma in Mechanical / Metallurgy / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Foundryman.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(z) JUNIOR TRAINING OFFICER

(Machinist)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Machinist.

OR

Diploma in Mechanical / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Machinist.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aa) JUNIOR TRAINING OFFICER

(Machinist Grinder)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Machinist-Grinder.

OR

Diploma in Mechanical / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Machinist-Grinder.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ab) JUNIOR TRAINING OFFICER

(Sheet Metal Worker)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Mechanical / Metallurgy/ Mechatronics / Production / Manufacturing from institution / University recognised by All India Council For Technical Education/ UGC with one year experience as Sheet Metal Worker.

OR

Diploma in Mechanical and allied / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Sheet Metal Worker.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ac) JUNIOR TRAINING OFFICER

(Tool & Die Maker)
(Press Tools, Jigs & Fixtures)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Mechanical / Production / Manufacturing from institution / University recognised by All India Council For Technical Education/ UGC with one year experience as Tool & Die Maker.

OR

Diploma in Mechanical / Tool and Die Making / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Tool & Die Maker.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ad) JUNIOR TRAINING OFFICER

(Turner)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education/ UGC with one year experience as Turner.

OR

Diploma in Mechanical / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience* as Turner.

OR

National Trade Certificate / National Apprenticeship Certificate in the trade of 'Turner' or 'Tool and Die maker (PTJF)' or 'Tool and Die maker (Dies and Moulds)' with 3 years experience.

3(ae) JUNIOR TRAINING OFFICER

(Welder)

Welder (Fabrication & Fitting),

Welder (GMAW & GTAW),

Welder (Pipe),
Welder (Structural),
Welder (Welding & Inspection)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Mechanical / Metallurgy/ Mechatronics / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience* as Welder.

OR

Diploma in Mechanical and allied / Production / Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Welder.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(af) JUNIOR TRAINING OFFICER

(Refrigeration and Air Conditioner Technician)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Refrigeration & Air Conditioning Technician.

OR

Diploma in Mechanical / Production / Manufacturing Engineering/ Refrigeration & Air Conditioning from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Refrigeration & Air Conditioning Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ag) JUNIOR TRAINING OFFICER

(Industrial Painter)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Paint / Mechanical / Production/ Manufacturing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Industrial Painter.

OR

Diploma in Paint Technology / Painting / Mechanical / Production/ Manufacturing Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Industrial Painter.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ah) JUNIOR TRAINING OFFICER

(Architectural Draughtsman)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Architecture / Civil from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Architecture Draughtsman.

OR

Diploma in Civil Engineering / Architectural Assistantship from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Architectural Draughtsman.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ai) JUNIOR TRAINING OFFICER

(Carpenter)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering / Technology in Civil / Mechanical from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Carpenter.

OR

Diploma in Civil / Mechanical Engineering from institution/ University recognised by All India Council For Technical Education / UGC with two years experience as Carpenter.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aj) JUNIOR TRAINING OFFICER

(Civil Engineering Assistant)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering / Technology in Civil from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Civil Engineering Assistant.

OR

Diploma in Civil Engineering from institution/ University recognised by All India Council For Technical Education / UGC with two years experience as Civil Engineering Assistant

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ak) JUNIOR TRAINING OFFICER

(Draughtsman Civil)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering / Technology in Civil from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Civil Draughtsman.

OR

Diploma in Civil Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Civil Draughtsman.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(a) JUNIOR TRAINING OFFICER

(Interior Design & Decoration)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Interior Design & Decoration Architecture / Civil from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Interior Design and Decorator.

OR

Diploma in Interior Design & Decoration / Architecture / Civil Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Interior Design and Decorator.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(am) JUNIOR TRAINING OFFICER

(Painter)
(General)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Paint Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Painter.

OR

Diploma in Paint Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Pinter.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(an) JUNIOR TRAINING OFFICER

(Surveyor)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Survey / Civil from institution/ University recognised by All India Council For Technical Education/ UGC with one year experience as Surveyor.

OR

Diploma in Survey Engineering / Civil Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Surveyor.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ao) JUNIOR TRAINING OFFICER

(Plumber)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Civil / Mechanical from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Plumber.

OR

Diploma in Civil / Mechanical Engineering from institution/ University recognised by All India Council For Technical Education / UGC with two years experience as Plumber.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ap) JUNIOR TRAINING OFFICER

(Food and Beverage Service Assistant)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Hotel Management / Catering Technology / Hotel & Catering Management from institution / University recognised by All India Council For Technical Education / UGC with one year experience in the filed of Food and Beverage Service.

OR

Diploma in Hotel Management & Catering Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience in the filed of Food and Beverage Service.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aq) JUNIOR TRAINING OFFICER

(Food Production)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Hotel Management / Catering Technology / Hotel & Catering Management from institution / University recognised by All India Council For Technical Education / UGC with one year experience in the filed of Food Production.

OR

Diploma in Hotel Management & Catering Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience in the filed of Food Production.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ar) JUNIOR TRAINING OFFICER

(Front Office Assistant)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Commerce / Hotel Management / Catering Technology/ Hotel & Catering Management from institution / University recognised by All India Council For Technical Education / UGC with one year experience in the filed of Front Office Management.

OR

Diploma in Hotel Management & Catering Technology / Commercial Practice from institution / University recognised by All India Council For Technical Education / UGC with two years experience in the filed of Front Office Management.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(as) JUNIOR TRAINING OFFICER in the trade of IoT Technician (Smart Health Care)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Electronics / Electronics and Telecommunication/ Electronics and Communication Engineering / Bio-Medical Engineering / Computer Science / Information Technology/ Artificial Intelligence and Data Science from institution / University recognised by All India Council For Technical Education / UGC with one year experience* as IoT Technician (Smart Health Care)

OR

Diploma in Electronics / Electronics and Telecommunication/ Electronics and Communication Engineering / Bio-Medical Engineering / Computer Technology / Computer Science & Engineering / Computer Engineering from institution / Information Technology from University recognised by All India Council For Technical Education / UGC with two years experience as IoT Technician (Smart Health Care)

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.*

3(at) JUNIOR TRAINING OFFICER

(Information Technology)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology/ in Computer Science/ Information Technology / Electronics & Communication / Computer Application from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Information Technology.

OR

Diploma in Computer Technology / Computer Science & Engineering/ Computer Engineering / Information Technology from institution/ University recognised by All India Council For Technical Education/ UGC with two years experience in Information Technology.

OR

National Trade Certificate / National Apprenticeship Certificate In The Trade Of 'Information Technology' Or 'Information & Communication Technology System Maintenance' with 3 years experience.

3(au) JUNIOR TRAINING OFFICER

(Computer Hardware & Network Maintenance)

SSLC Pass or equivalent and

Anyone of the following :-

Degree in Engineering / Technology/ in Computer Science/ Electronics & Communication / Information Technology / from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Computer Hardware & Network Maintenance.

OR

Diploma in Computer Technology / Computer Science & Engineering/ Computer Engineering / Electronics & Communication Engineering/ Technology / Information Technology Computer Networking from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Computer Hardware & Network Maintenance.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(av) JUNIOR TRAINING OFFICER

(Computer Operator and Programming Assistant) (COPA)

SSLC Pass or equivalent and

Anyone of the following :-

Degree in Computer Science / Information Technology from institution/ University recognised by All India Council For Technical Education/ UGC with one year experience* in Computer Programming.

OR

Diploma in Information Technology / Computer Technology Computer Science & Engineering/ Computer Engineering / Computer Networking from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Computer Programming.

OR

National Trade Certificate / National Apprenticeship Certificate in the trade of 'Computer Operator and Programming Assistant' or 'Any trade in IT-ITES Sector' with 3 years experience.

3(aw) JUNIOR TRAINING OFFICER

(Desktop Publishing Operator)

SSLC Pass or equivalent and

Anyone of the following :-

Degree in Printing Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Desktop Publishing Operator.

OR

Diploma in Printing Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Desktop Publishing Operator.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ax) JUNIOR TRAINING OFFICER

(Digital Photographer)

SSLC Pass or equivalent and

Anyone of the following :-

Degree in Cinematography / Videography / Photography / Digital Photography / Visual Communication from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Digital Photographer.

OR

Diploma in Cinematography / Videography / Photography / Digital Photography / Visual Communication from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Digital Photographer.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(ay) JUNIOR TRAINING OFFICER

(Multimedia, Animation & Special Effects)

SSLC Pass or equivalent and

Anyone of the following :-

Degree in Multimedia and Animation / Computer Science / Information Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Multimedia, Animation & Special Effects.

OR

Diploma in Multimedia and Animation / Computer Technology/ Computer Science & Engineering / Computer Engineering from institution / Information Technology / 3D Animation and Graphics from University recognised by All India Council For Technical Education / UGC with two years experience in Multimedia, Animation & Special Effects.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

**3(az) JUNIOR TRAINING
OFFICER** in the trade
of Footwear Maker

SSLC Pass or equivalent
and
Anyone of the following :-

Degree in Leather Technology / Footwear Maker from institution / University recognised by All India Council For Technical Education/ UGC with one year experience* in Footwear Making field.

OR

Diploma in Leather Technology / Footwear Maker from institution/ University recognised by All India Council For Technical Education/ UGC with two years experience* in Footwear Maing field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

**3(aaa) JUNIOR
TRAINING
OFFICER**

(Leather Goods
Maker)

SSLC Pass or equivalent
and
Anyone of the following :-

Degree in Leather Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience* in Leather Technology field.

Diploma in Leather Technology from institution/University recognised by All India Council For Technical Education/ UGC with two year experiencein Leather Technology field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3years experience.

**3(aab) JUNIOR TRAINING
OFFICER**

(Information &
Communication
Technology System
Maintenance)

SSLC Pass or equivalent
and
Any one of the following :-

Degree in Engineering / Technology in Computer Science/ Information Technology / Electronics & Communication from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Maintenance of Information & Communication Technology Systems.

OR

Diploma in Computer Science / Electronics & Communication/ Computer Technology / Computer Science & Engineering / Computer Engineering / Information Technology from institution/ University recognised by All India Council For Technical Education/ UGC with two years experience in Maintenance of Information Communication Technology Systems.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3years experience.

3(aac) JUNIOR TRAINING OFFICER

(Electronics
Mechanic)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Electrical / Electrical and Electronics / Electronics and Communication from institution / University recognised by All India Council For Technical Education/ UGC with one year experience in Electronics field.

OR

Diploma in Electrical / Electrical and Electronics / Electronics and Communication from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Electronics field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aad) JUNIOR TRAINING OFFICER

(Instrument
Mechanic)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Electronics and Communication / Electronics and Instrumentation / Instrumentation and control / Instrumentation Technology from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Instrument Mechanic field.

OR

Diploma in Electronics and Communication Engineering / Electronics and Instrumentation Engineering / Instrumentation and Control Engineering / Instrumentation Technology from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Instrument Mechanic field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aae) JUNIOR TRAINING OFFICER

(Smartphone
Technician Cum
App Tester)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Electronics / Electronics and Telecommunication Electronics and Communication Engineering / Computer Networking from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Smartphone Technician Cum App Tester

OR

Diploma in Electronics / Electronics and Telecommunication / Electronics and Communication Engineering / Computer Networking from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Smartphone Technician Cum App Tester

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aaf) JUNIOR TRAINING OFFICER

(Technician Power Electronics Systems)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Electronics / Electronics and Telecommunication / Electronics and Communication from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Power Electronics System Technician.

OR

Diploma in Electronics / Electronics and Telecommunication/ Electronics and Communication Engineering from institution/ University recognised by All India Council For Technical Education/ UGC with two year experience as Power Electronics System Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aag) JUNIOR TRAINING OFFICER

(Technician Medical Electronics)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Electronics / Bio Medical/ Medical Electronics / Electronics and Communication from institution/ University recognised by All India Council For Technical Education/ UGC with one year experience as Medical Electronics Technician.

OR

Diploma in Electronics / Bio Medical/ Medical Electronics Engineering / Electronics and Communication Engineering / from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Medical Electronics Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aah) JUNIOR TRAINING OFFICER

(Remotely Piloted Aircraft (RPA) / Drone Pilot)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Aeronautical engineering / Electronics and Communication Engineering / Mechatronics / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Remotely Piloted Aircraft (RPA) / Drone Pilot.

OR

Diploma in Aeronautical engineering/ Electronics and Communication Engineering / Mechatronics / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Remotely Piloted Aircraft (RPA) / Drone Pilot.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aai) JUNIOR TRAINING OFFICER

(Solar Technician)
(Electrical)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Electrical / Electrical and Electronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience* as Solar Technician.

OR

Diploma in Electrical / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Solar Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aaj) JUNIOR TRAINING OFFICER

(Electrician)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering /Technology in Electrical / Electrical and Electronics from institution / University recognised by All India Council For Technical Education UGC with one year experience as Electrician.

OR

Diploma in Electrical / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Electrician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aak) JUNIOR TRAINING OFFICER

(Wireman)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering /Technology in Electrical / Electrical and Electronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Wireman.

OR

Diploma in Electrical / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Wireman.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aal) JUNIOR TRAINING OFFICER

(Lift and Escalator Mechanic)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Electrical / Electrical and Electronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Lift & Escalator Mechanic.

OR

Diploma in Electrical / Electrical and Electronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Lift & Escalator Mechanic.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aam) JUNIOR TRAINING OFFICER

(Spinning Technician)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering / Technology in Textile / Spinning / Textile Processing from institution / University recognised by All India Council For Technical Education UGC with one year experience as Spinning Technician.

OR

Diploma in Textile/ Spinning Technology / Textile Processing / Textile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Spinning Technician

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aan) JUNIOR TRAINING OFFICER

(Textile Wet Processing Technician)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/ Technology in Textile / Textile Chemistry / Textile Processing from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Textile Wet Processing Technician.

OR

Diploma in Textile Technology / Textile Processing / Textile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Textile Wet Processing Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aao) JUNIOR TRAINING OFFICER

(Textile
Mechatronics)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Textile Mechatronics / Textile Technology / Textile Processing / Textile Engineering from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Textile Mechatronics field.

OR

Diploma in Textile Mechatronics / Textile Technology / Textile Processing / Textile Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Textile Mechatronics field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aap) JUNIOR TRAINING OFFICER

(Industrial
Robotics
and Digital
Manufacturing
Technician)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Manufacturing / Industrial / Mechanical / Production / Mechatronics / Robotics and Automation from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Industrial Robotics & Digital Manufacturing Technician field.

OR

Diploma in Electronics / Manufacturing Engineering / Industrial Engineering / Mechanical Engineering / Production Engineering/ Mechatronics Engineering / Robotics and Automation from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Industrial Robotics & Digital Manufacturing Technician field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aaq) JUNIOR TRAINING OFFICER in the trade of Basic Designer & Virtual Verifier

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/ Technology in Industrial / Mechanical / Production / Mechanical Engineering Design and Drafting / Mechatronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Basic Designer & Virtual Verifier

OR

Diploma in Manufacturing Engineering / Industrial Engineering / Mechanical Engineering / Production Engineering / Mechanical Engineering Design and Drafting / Mechatronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Basic Designer & Virtual Verifier

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aar) JUNIOR TRAINING OFFICER

(Advanced
CNC Machining
Technician)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering/Technology in Manufacturing / Industrial / Mechanical / Production / Mechatronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Advanced CNC Machining field.

OR

Diploma in Manufacturing Engineering / Industrial Engineering / Mechanical Engineering / Production Engineering / Mechatronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Advanced CNC Machining field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aas) JUNIOR TRAINING OFFICER

(Operator Advanced
Machine Tool)

SSLC Pass or equivalent
and Any one of the following :-

Degree in Engineering/Technology in Manufacturing / Industrial / Mechanical / Production / Mechatronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Operator Advanced Machine Tool

OR

Diploma in Manufacturing Engineering / Industrial Engineering / Mechanical Engineering / Production Engineering / Mechatronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Operator Advanced Machine Tool

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aat) JUNIOR TRAINING OFFICER

(Technician
Mechatronics)

SSLC Pass or equivalent
and

Any one of the following :-

Degree in Engineering / Technology in Mechatronics / Mechanical/ Instrumentation / Electrical from institution / University recognised by All India Council For Technical Education / UGC with one year experience as Mechatronics field.

OR

Diploma in Mechatronics / Mechanical / Instrumentation / Electrical Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience as Mechatronics Technician.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aau) JUNIOR TRAINING OFFICER

(Manufacturing Process control and Automation)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Manufacturing / Industrial / Mechanical / Production / Mechatronics from institution / University recognised by All India Council For Technical Education / UGC with one year experience in Manufacturing Process control and Automation field.

OR

Diploma in Electronics / Manufacturing Engineering / Industrial Engineering / Mechanical Engineering / Production Engineering / Mechatronics Engineering from institution / University recognised by All India Council For Technical Education / UGC with two years experience in Manufacturing Process control and Automation field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

3(aav) JUNIOR TRAINING OFFICER

(In Plant Logistics Assistant)

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering/Technology in Mechanical / Production from All India Council For Technical Education / UGC recognized Engineering College/ university with one-year experience in the relevant field.

OR

Diploma in Mechanical / Production Engineering from All India Council For Technical Education / recognized board of technical education or relevant Advanced Diploma (Vocational) from DGT with two years experience in the relevant field.

OR

National Trade Certificate / National Apprenticeship Certificate in appropriate trade with 3 years experience.

(ii) against the category **"4. Junior Training Officers (Drawing) in the Industrial Training Institutes"** in column (1) and the corresponding entries in column(2) and (3) thereof, the following shall be **substituted**, namely:-

JUNIOR TRAINING OFFICER

(Engineering Drawing)

Direct recruitment or transfer from any other class or category of the same service or recruitment by transfer from any other service

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering from All India Council For Technical Education / UGC recognized Engineering College/ university with one-year experience in the relevant field.

OR

Diploma in Engineering from All India Council For Technical Education / recognized board of technical education or relevant Advanced Diploma (Vocational) from DGT with two years' experience in the relevant field.

OR

National Trade Certificate/ National Apprenticeship Certificate in 'Any one of the Mechanical group (Grade-I) trades categorized under Engineering Drawing' or 'Draughtsman Mechanical' or 'Draughtsman Civil' trades with three years' experience.

- (iii) against the category "**5. Junior Training Officers (Mathematics) in the Industrial Training Institutes / Centre**" in column (1) and the corresponding entries in column (2) and (3) thereof, the following shall be **substituted**, namely:-

JUNIOR TRAINING OFFICER

(Workshop Calculation & Science)

Direct recruitment
or
transfer from any other class
or
category of the same service
or
recruitment by transfer from any other service

SSLC Pass or equivalent and

Any one of the following :-

Degree in Engineering from All India Council For Technical Education /UGC recognized Engineering College/ university with one-year experience in the relevant field.

OR

Diploma in Engineering from All India Council For Technical Education / recognized board of technical education or relevant Advanced Diploma (Vocational) from DGT with two years' experience in the relevant field.

OR

National Trade Certificate/ National Apprenticeship Certificate in any one of the engineering trades with three years experience.

Area of Experience:

Industrial experience:

Should be in a "A Recognized Workshop or Factory."

A workshop or Factory must be recognized by the Government of India or by the State of Tamil Nadu satisfying the definition of factory in Section 2 (m) of the Factories Act 1948 (Central Act 1948 LXIII of 1948).

(or)

Teaching Experience:

Should be in any institution affiliated by AICTE/UGC/NCVT

KUMAR JAYANT,

Additional Chief Secretary to Government.
